I was dying to make it to Hollywood, then almost died getting out. From the author of THE MULHOLLAND DIARIES, comes a cautionary tale that gives insight into the glitter-hooked world of celebrity, power and sex. In the novel, THE HOLLYWOOD GIRL, rising makeup artist, Alexia Diamond is welcomed into the glamorously titillating world of celebrity and never looks back. She has them all eating out of the palm of her hand. Then, she meets box office superstar Hayden Jones. He changes her life for better and for worse. Alexia spends years as Hayden s pampered princess perched upon the pedestal he built. They are one of the most adored couples in Hollywood. However, behind her ornate gates, Alexia suffers through an emotionally crippling relationship with someone who holds all of the cards. That s until she decides she s had enough and plans to leave. But, Hayden would rather destroy her than let her walk away.
