Bob McCarty, L.L.C. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 8.8in. x 5.9in. x 0.7in. I spent most of the past four years conducting an exhaustive investigation of the U. S. governments use of interrogation technologies, including the polygraph. Youll be amazed at what I discovered. My journey began in April 2009 when I asked Pentagon officials to answer a handful of questions about a new portable polygraph device that had been deployed to Afghanistan and Iraq one year earlier. While waiting for them to respond, I sought answers elsewhere and found plenty in locations all around the world. Most importantly, I found evidence of an unconventional war a turf war thats been raging silently for 40 years, shows no signs of easing, and impacts Americans around the world. In my latest nonfiction book, THE CLAPPER MEMO, I share never-before-published details from the front lines of this turf war: I expose the win-at-all-cost strategy employed by polygraph loyalists to discredit all challengers to their technologys status as the U. S. Governments credibility assessment tool of choice; I reveal the lengths to which high-ranking polygraph loyalists inside the Departments of Defense and Justice have shown they are willing to go to maintain their foothold in the credibility assessment arena when challenged by backers of a newer credibility assessment tool proven more reliable and more effective than polygraph; I highlight conflicts of interest and ethical lapses on the part of senior government officials and expose revealing communications between individuals on both ends of lucrative government research grants that yielded pro-polygraph results; I share how law enforcement officers across the United States describe their success using non-polygraph technology as an investigative tool during both routine and high-profile criminal investigations; and I offer detailed firsthand accounts obtained during exclusive interviews with Americans who used non-polygraph...
