By Terra Schoenberg-Johnson

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Gerald Moore (illustrator). 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Fourteen-year-old Tonya, flees from her father s enemies, who seek to learn the secret of his psychic research on THE WINGED DISK. Terrified of her imminent capture, she takes refuge in an ancient deserted mansion. There she discovers a hidden spiral staircase leading ever upward. Seeking a place of solace, Tonya begins to ascend the stairwell. Suddenly, the steps behind her dissolve sequentially into mist and the walls begin to fade. She is left surrounded by a swirl of brilliant constellations. Above her, an azure scintillating constellation begins to spin faster and faster, opening a vortex in its center. Tonya hastens upward through the pulsating sapphire portal and enters a new world, where her old problems pale in comparison to the perils she must now face!.
