Fingers Flaherty had them all the time. He lived the blues and sang about his every ache. Flaherty s blues gave him nothing but hardship, sore feet and a shattered heart. Every one of his songs told a fraught story. His characters walked many a dark path and twisted lane on their troubled journeys. And now they get to share their tales, wrapped in dark humour and a blanket of blues. A collection of short stories inspired by Flaherty s songs, A BLANKET OF BLUES presents its varied cast at turning points in their lives. Some yearn for change, whereas others seek self-improvement. Why is Brendan Behan laughing at a hapless father as he makes his way to the nightclub to find his hooligan son? Will God listen to a hypocrite s prayer and welcome a bitter troll into heaven? What ghosts haunt Mad Mick on his midnight rambles? Is it safe to borrow money from Harry the Hobbit during a recession? Why does Sophia want to insert her beret-clad boyfriend into a guillotine? Can Chai make peace with the dead mother who only adopted him because there were no rabbits left in the pet shop? And can any of these characters find...
