iUniverse, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Before time is even a named concept, a war among beings of infinite power, fury, and ambition rages. After seemingly endless conflict, a victor is named. The ultimate being enforces the ultimate punishment upon its archrival: the utter obliteration of anything resembling form, consciousness, memory, or self. But despite the intense and thorough acts of banishment and dismemberment among twelve separate realms of dimension, a grain of the archrival s consciousness has remained intact. It has been patient . but it has not been forgiving. In this dimension, it reforms, and it is first known as the Pharaoh Cheops. But the archrival s deception does not go unnoticed, and the Formless, its ancient guard, appears. To prevent the transfer of the ancient spirit into the pharaoh s infant son, the child is murdered and his brain is placed in a canopic jar. The archrival is contained once again . or so the Formless believes. But consciousness remains and, once again, is patient. It sees an opportunity, a gate, in an unexpected host- **Daemonorops Draco**, a palm tree. In more modern times, Misty, a college student, and her friends enact a necromancy ritual. Misty and her friends drift in an out of a dreamlike state so intense they are no longer sure of reality. Misty is transformed into a real necromancer able to travel the twelve dimensions of existences. Her new found power is soon challenged by a great cosmic struggle. Misty has good intentions for all life, but the source of her power has its own agenda.
