Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Its 1926 and Great Britain should be savouring the fruits of victory, instead it is a country cracked by class and the fear of revolution. The government mouths the words "homes fit for heroes" but readies for revolt, whilst a generation buries its head in the bars and clubs of Soho. For some this is a time of opportunity, a chance to lead, a chance to steer and a chance to grab control. For Jasper Lewingdon a simple surveillance is turning sour. The fight between fascism and communism is starting to play out on the streets of London and he is caught slap bang in the middle. Can he truly trust those around him and what will it cost him in the long run?.
