NUTRITIONAL MANAGEMENT OF DIABETES MELLITUS (HARDBACK)

John Wiley and Sons Ltd, United States, 2003. Hardback. Book Condition: New. 1. Auflage. 240 x 152 mm. Language: English . Brand New Book. Diabetes mellitus is a common disorder where the body is no longer able to regulate blood glucose levels correctly owing to defects in insulin secretion or action. While some people require treatment with insulin, many are able to control their diabetes through management of diet, e.g. by decreasing the fat intake and increasing the amount of...

Reviews

This is basically the very best book we have go through until now. I have got read and i also am confident that i am going to gonna study once again again in the future. I am just very happy to inform you that this is basically the very best ebook we have read inside my own life and might be he very best publication for at any time.

-- **Angus Hickie**

This ebook is indeed gripping and fascinating. it had been writtern really properly and helpful. I am very easily could possibly get a satisfaction of reading a published publication.
