Excerpt: . afterthoughts And now comes the strangest part of the story. We get quite accustomed to thinking of the American colonies as the football of European diplomacy, our reading of history has fully prepared us for that: but we are not prepared to find events in the New World actually shaping the course of those in the Old. In a word, England lost the battle in Europe, -but won it in America. France was confounded at seeing the key to Canada in the hands of the enemy she had just beaten. England and France were like two duellists who have had a scuffle, in the course of which they have exchanged weapons. Instead of dictating terms, France had to compromise matters. For the sake of preserving her colonial possessions, she now had to give up her dearbought conquests on the continent of Europe. Hostilities...
