Oxford University Press. Paperback. Book Condition: new. BRAND NEW, GCSE Additional Applied Science Student Book (2nd Revised edition), Nuffield/York, The second editions of these bestselling GCSE Additional Applied Science resources have been developed in partnership with OCR, the University of York Science Education Group and the Nuffield Foundation. The resources have been fully updated to match the new 2011 specifications. The second editions build on the success of this hugely popular suite of resources. Using extensive feedback from schools and teachers, the new suite provides ideal support for the 2011 specifications. There is lots of support for exam preparation and assessment throughout the course and even more differentiation support to help learning for all abilities. The course is fully customizable using the latest digital support and it's packed with new scientific contexts reflecting the latest research and ideas. The GCSE Additional Applied Science Student Book helps you create engaging, lively and relevant science lessons. It helps stimulate students to develop their understanding of science through authentic work-related contexts. This specification is freestanding, so this book can be used when taught alongside GCSE Science from either the Twenty First Century Science or OCR Gateway Science suites.
