A dead branch caught precariously high in a tree which may fall on a person below. 3. A dark fiction anthology of prodigious size; large enough to use as a doorstop. or crush a man s skull. A few months ago one of our own, James Newman, was severely injured in a freak accident. He s known universally in the horror fiction community as a truly great guy, and, when the news broke of the incident there was no shortage of people who wanted to help.
