This book encapsulates 11 major issues for students of French language and culture, providing an informed platform for critical thinking and engaging discussion. The topics, including the trial of Maurice Papon, the Headscarf Affair, Jose Bove and McDonald s, Quebec separatism, and the democratization movement in the Ivory Coast, are overviewed in individual chapters. Pro and con positions on the issues are then presented so that students can debate the points. Helpful French vocabulary, questions and activities, and a resource guide accompany each issue to round out the unit. The authors are careful to tie in the French issues to American society and culture. Comparisons are probed so that students will broaden their understanding not only of French-speaking societies but also their own society and history as well. Written in a dramatic style, the unique approach of this content-rich resource is sure to bring new energy to the study of French culture, language, and history.
