Sure to be welcomed by caregivers of all types, this new edition of the groundbreaking *Medicine and Compassion* can help anyone reconnect with the true spirit of their caregiving task. In a clear and very modern voice, Chogyi Nyima Rinpoche and Dr. David R. Shlim use the teachings of Tibetan Buddhism to present practical tools for revitalizing the caring spirit. Offering practical advice on dealing with people who are angry at their medical conditions or their care providers, people who are dying, or the families of those who are critically ill, *Medicine and Compassion* provides needed inspiration to any who wish to reenergize their patience, kindness, and effectiveness. The warmth and care in these pages is sure to strike a resonant cord with medical professionals, hospice workers, teachers and parents of children with special needs, and those caring for aging and infirm loved ones.
