

Guidelines for Nurse Practitioners in Ambulatory Obstetric Settings

By Nancy J Cibulka, Mary Lee Barron, Joanne R Duffy

Springer Publishing Co Inc. Paperback. Book Condition: new. BRAND NEW, Guidelines for Nurse Practitioners in Ambulatory Obstetric Settings, Nancy J Cibulka, Mary Lee Barron, Joanne R Duffy, "The authors have crafted a very user-friendly set of guidelines, identifying the steps in assessment of patients for risks, outlining the objectives for care from preconception through postpartum, and addressing care for pregnant HIV positive women.[the book] includes avenues to electronic resources to assist them in accessing the newest information in ever-evolving and changing practice environments." --Joellen W. Hawkins, RNC, PhD, FAAN Professor Emeritus, Boston College Connell School of Nursing Writer in Residence, Simmons College, School of Nursing and Health Sciences "This is a concise, yet comprehensive book. I would recommend that any advanced practice nurse working in obstetrics have it on the bookshelf. It could also be used as protocol manual for small practices." Score: 100, 5 Stars.--Doody's Medical Reviews This is the only comprehensive source of current, evidence-based guidelines for advanced practice nursing management of the obstetric patient in an ambulatory setting. Encompassing preconception, prenatal, and postpartum nursing care, it stresses the importance of recognizing pre-existing complications of pregnancy and identifying obstetric complications. The book provides best practices for care of...
