

The Prehistoric Planet (Paperback)

By Ray O Ryan

SIMON SCHUSTER, United States, 2013. Paperback. Book Condition: New. Colin Jack (illustrator). 184 x 138 mm. Language: English . Brand New Book. Galaxy Zack blasts back to the past in this outer space chapter book adventure! A baby pterosaur can't find his way home, so it's up to the Nebulon Navigators to return him to the Prehistoric Planet. And when Zack's dad is invited on the journey, Zack finds a way to go along too! But as they blast off on the super shuttle, they hear a strange noise. Is it the pterosaur, crying for his mama? No, it's Zack's dog, Luna, who has snuck onto the shuttle! When the shuttle lands, Zack can't believe his eyes: The Prehistoric Planet is full of creatures that he's only read about in books. Zack and the team of navigators head out in search of the pterosaur's mother--and end up in the middle of an amazing adventure. With easy-to-read language and illustrations on almost every page, the Galaxy Zack chapter books are perfect for beginning readers.

Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

Very good eBook and valuable one. This is for anyone who states that there was not a worth reading. You will not truly feel monotony at any time of your own time (that's what catalogs are for concerning if you question me).
