Brand New Book ***** Print on Demand *****.For Army Specialist, Myra Taft, the war on terror didn't end for her when she returned from Iraq. She survived roadside bombings, insurgent attacks, suicide bombers, and even escaped from an Iraqi P.O.W. Camp only to come home to fight the greatest battle of her life-Post Traumatic Stress Disorder. As Myra struggles to live a normal life under the careful eye of an Army sergeant and a budding psychiatrist, a terrorist plot is set in motion that promises to be the most brutal attack ever committed on U.S. soil. In a streak of bad luck, Myra is involved in a drug deal gone bad that leaves five people dead, two police officers shot, and Myra New York City's most wanted. The publicity of Myra's manhunt prompts an Iraqi refugee to come out of hiding and provide the Army with credible Intel that leads them to believe that the terrorist attack on U.S. soil will be carried out by one of their own-Myra Taft. With only her training and survival instincts to rely on, Myra must stay alive long enough to clear her name, and if possible, save the lives of millions.
