

Homeschooling Tips for Parents Guide to Understanding the Homeschool Curriculum Part II

By Dana Tebow

Speedy Publishing LLC. Paperback. Book Condition: New. Paperback. 52 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. When a family commits to homeschooling the key thing to remember is that the parent is now the students role model. This applies to attitude, behavior and organizational habits. It can be very frustrating for all involved when a five-room manhunt must be mounted first thing in the morning in order to locate a textbook or writing implement, therefore organization is key. Make sure teachers manuals, textbooks, paper, pens and pencils all have their own place in order to avoid starting the day with a scavenger hunt. Remember, the more time spent organizing before the school year, the less time that will be taken away from schooling during the year. Dana Tebow's book helps to bring your homeschooling plan into perspective. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
